## Medical Waste Treatment

Environmental Best Practices for Health Care Facilities | June 2003

JCAHO Environment of Care  
Standards 1.3, 2.3, 4.0

### Autoclaves for On-Site Treatment at Acute Care Hospitals

Aegis Bio-Systems  
888-993-1500  
[www.aegisbiosystems.com](http://www.aegisbiosystems.com)

San-I-Pak  
209-836-2310  
[www.sanipak.com](http://www.sanipak.com)

Aduromed Corporation  
800-360-3444  
[www.aduromed.com](http://www.aduromed.com)

Sterile Technologies Industries, Inc.  
317-484-4200  
[www.stichemclav.com](http://www.stichemclav.com)

Bondtech Corporation  
800-414-4231  
[www.bondtech.net](http://www.bondtech.net)

Tempico, Inc.  
800-728-9006  
[www.tempico.com](http://www.tempico.com)

Ecolotec LLC  
800-239-3435  
[www.ecolotec.com](http://www.ecolotec.com)

Waste Processing Solutions  
443-524-4245  
[www.redbag.com](http://www.redbag.com)

Hydroclave Systems Corporation  
613-389-8373  
[www.hydroclave.com](http://www.hydroclave.com)

#### Used Equipment

Mark-Costello Company  
310-637-1851  
[www.mark-costello.com](http://www.mark-costello.com)

Various medical equipment dealers carry used autoclaves, at prices substantially below prices for new equipment. Hospitals should consider safety and maintenance issues prior to purchasing used equipment.

### Off-Site Non-Incineration Medical Waste Treatment

Stericycle  
Autoclave treatment in San Leandro  
800-355-8773 (national sales)  
888-278-7269 (California sales)  
[www.stericycle.com](http://www.stericycle.com)

PWN Environmental  
Autoclave treatment in Reno  
800-541-4115  
[www.pwnenvironmental.com](http://www.pwnenvironmental.com)
